Under Witch Curse (Moon Shadow Series Book 3) Maria E Schneider

When is a blessing a curse? What if you curse a blessing? Adriel needs the answers, and quickly, because one spell will keep vampires at bay and the other will set something far worse free. Vamps aren't her only problem, either. Zandy, the wily coyote, is back in town, and he's out for blood. Someone had better find him fast because the body count is rising.

With White Feather to help, Adriel expects life to get easier, but the relationship comes with new responsibilities and unpleasant surprises that put a price on friendship. This time, Adriel might just need more than solid ground beneath her feet and the wind at her back in order to survive.
