## **HOW TO CURE THE BROKENHEARTED, STOLEN BASS BLUES**

Toby and Zack's first gig could make or break their Beatles cover band, the Nowhere Men. But ever since getting dumped by his girlfriend, lead singer Toby can't quite pull off the Beatles' feel-good vibe. When Toby finds a note hidden inside his brother's bass claiming the instrument was stolen, he embarks on a quest to find the true owner and hopes a girl named Michelle will help him recover his lost mojo along the way.

### **Praise:**

"Fast-paced, with authentic characters (the chemistry between Toby and Michelle is particularly satisfying) and a general air of good-natured fun, Briant's story rings true and doesn't disappoint." *Publisher's Weekly*

"Briant has an ear for smart-aleck teen talk and keeps the first-person narration crisp. A light and entertaining rock-'n'-roll romp." *Kirkus Reviews*

That book also makes your own vocabulary increase well. That makes it easy to understand then can go to you, both in printed or e-book style are available. We recommend you for having this particular I Am (Not) the Walrus instantly.

#### **Thomas Welty:**

People live in this new day of lifestyle always try to and must have the time or they will get large amount of stress from both day to day life and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not really a robot. Then we question again, what kind of activity have you got when the spare time coming to an individual of course your answer will unlimited right. Then ever try this one, reading ebooks. It can be your alternative with spending your spare time, typically the book you have read is actually I Am (Not) the Walrus.

#### **Janet Kline:**

Many people spending their period by playing outside along with friends, fun activity with family or just watching TV all day every day. You can have new activity to enjoy your whole day by examining a book. Ugh, ya think reading a book can definitely hard because you have to bring the book everywhere? It all right you can have the e-book, getting everywhere you want in your Mobile phone. Like I Am (Not) the Walrus which is obtaining the e-book version. So , why not try out this book? Let's see.

#### **Sonia Cote:**

Is it you who having spare time after that spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This I Am (Not) the Walrus can be the answer, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?
