Louis Vierne (Paperback): Organist of Notre Dame Cathedral (The Complete Organ)

Rollin Smith

Louis Vierne (Paperback): Organist of Notre Dame Cathedral (The Complete Organ) Rollin Smith
Louis Vierne (1870-1937), a student of César Franck and Charles-Marie Widor, was organist of the Notre-Dame Cathedral in Paris for 37 years, until his death at the console during a recital. Widor's successor as the organ's great French symphonist - an assessment the passage of time has proved correct - Vierne's music has remained in the repertoire of organists throughout the world, never undergoing the periodic eclipses experienced by his contemporaries. Vierne's autobiography, *Mes Souvenirs*, originally published serially in the 1930s, is here available in a profusely illustrated, extensively annotated English translation. Rollin Smith's *Louis Vierne: Organist of Notre Dame Cathedral* is the first major study of the great organist of Notre-Dame and includes chapters on his American tour, recordings, contemporary reminiscences, definitive textual corrections, the organ symphonies, his death and succession, and a thematic catalogue of his organ works.

Winner of the first **Max B. Miller Book Award**, established by The American Guild of Organists to recognize distinguished scholarship in the fields of organ literature and performance.
