Students Against Sweatshops: The Making of a Movement United Students Against Sweatshops, Liza Featherstone, United Students Against Sweatshops

United Students Against Sweatshops heads a wave of anti-sweatshop organizing that has reached over two hundred American college campuses in the past four years. From the northeast to the southwest, at public and private, large and small universities, their campaigns have wreaked havoc on the corporate campus and ruffled multinational companies whose profits depend on young consumers; they have also led to a more broadly based engagement with issues of social justice and provide a potential model for transnational student/worker solidarity.
