#### **Zoe:**

I've had it with my boyfriend. Sure, he was a douchebag in general, but when I walked in on him cheating on me, that was the last straw.

Going home for the weekend to get away from it all, the last thing I expected was to find my dad's hot best friend, Evan, staying at the house. I've had a crush on him since I was a schoolgirl—who wouldn't? He's drop-dead gorgeous and the sweetest guy. And now that I'm left alone with him, I have a few ideas of what we could do...

#### **Evan:**

I thought it was just going to be a quiet weekend dog-sitting for my best friend. So I couldn't have been more surprised when Zoe comes home out of the blue. I've always had a thing for her, but of course I would never do anything to hurt my best friend. But now that we're alone, I can finally show her what it's like to be with a real man.

*What will happen when they two of them, yearning for more than just a family friendship, are left alone while Zoe's dad is out of town?*
