He has no desire to settle down. She is afraid to upset her family. But, with someone determined to destroy Caleb's inheritance, and his secret fling with Mia getting hot and heavy, moving on isn't as easy as he'd hoped.

About the Author:

Jorja Lovett is a British author with both Irish and Scottish roots, which makes for a very dry sense of humour. Writing since she was old enough to wield a pen, it wasn't until she joined her crit group, UCW, that she pursued her passion seriously.

Now, with Joe Manganiello as her permanent muse, if she can leave the pause button on her Magic Mike dvd long enough, she hopes to spend the rest of her days writing steamy romances.
