Women & Money: Owning the Power to Control Your Destiny Suze Orman

Why is it that women, who are so competent in all other areas of their lives, cannot find the same competence when it comes to matters of money?

Suze Orman investigates the complicated, dysfunctional relationship women have with money in this groundbreaking new book. With her signature mix of insight, compassion, and soul-deep recognition, she equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from making more out of the money they make. At the center of the book is The Save Yourself Plan—a streamlined, five-month program that delivers genuine long-term financial security. But what's at stake is far bigger than money itself: **It's about every woman's sense of who she is and what she deserves, and why it all begins with the decision to save yourself.**

Join the Movement to Save Yourself with this Unprecedented Offer to Readers of Women & Money:

Suze Orman believes that having an account of your own is the cornerstone of long-term financial security, and so she has begun a national movement called **Save Yourself** to turn this wish—that every woman have an account in her own name—into a reality.
