30 Best Bread Recipes From Around The World Sue Messruther

New and revised and finally here is the updated 30 Deliciously Easy Bread recipes from all over the Globe.

As I have travelled I collected and begged many recipes and now compiled them together after many friends requested copies.

We all grew up eating bread and it is part of our daily lives now what many don't realise is that it is so easy to make and very satisfying to. I encouraged my children to help out as this also in turn encouraged them to eat what they were making.

I hope that you enjoy this book as you travel around the world with the different breads! I have tried to make it as simple to do as possible with easy to follow steps, now aprons on and let's get baking!
