With more attractive women per capita than any other nation on the planet, Singapore continues to amaze and redefine what men really want. Join Dick North in observing and investigating what most people want to know but are afraid to ask in the unofficial capital of South-East Asia, Singapore. Warning: this is a "must-read" for any man interested in mainstream Asian women (not prostitutes or escorts) in modern, glamorous Asia, and covers many real-life case studies of marriage, female acquaintances, and sexual relationship management, centred on Singapore, and written in Singapore, but equally applying to other glamorous Asian cities.
