# Metal Gear Solid (Boss Fight Books Book 9)

*Ashly Burch, Anthony Burch*

**Metal Gear Solid (Boss Fight Books Book 9)** Ashly Burch, Anthony Burch

Before they co-created the hit web series *Hey Ash, Whatcha Playin'?*, before Anthony was lead writer of *Borderlands 2*, before Ashly lent her voice to *Saints Row IV*, *Towerfall*, and *Adventure Time*—Ashly and Anthony Burch were just a brother and sister who shared a weird obsession with Solid Snake and his 3D debut, *Metal Gear Solid* (1998).

And why wouldn't they? Hideo Kojima's attempt at creating the Playstation's greatest game featured groundbreaking stealth mechanics, a gruff and hunky leading man, a brilliantly claustrophobic setting, tons of cinematic cutscenes, shocking fourth wall breaks, and terrifying bosses. Several console generations later, *Metal Gear Solid* is still often touted as the series high water mark.

The only problem: Ashly and Anthony grew up but their all-time favorite video game didn't. After nearly two decades, *Metal Gear Solid*'s once-innovative stealth mechanics seem outdated, the cutscenes have lost some of their action movie punch, and the game's treatment of women is often out of touch. Witness a celebration/takedown of this landmark game with the combination of insight and hilarity that Ashly and Anthony have made their careers on.
