She ran from her past.

After relocating from a small town in Tennessee, Mila has been living in New York City for a year and a half, more than happy to be lost in the crowd. Living vicariously through her best friend and roommate, Nikki, Mila spends her days waitressing and her evenings at home. Then, one night, after getting exclusive tickets to a nightclub downtown, Nikki is able to convince Mila to let loose for once.

He's running from his future.

Having lived a privileged life, William is used to getting what he wants, and who he wants. Now, though, in his thirties, he's bored, and seeking more from his life than mindless sex, and even worse—mindless women. Spotting Mila from across the club, he senses right away that she's different from what he's used to, an observation that proves true.

One night together will change everything for both of them. Pasts and futures will collide, secrets will be revealed, and the results will transform both their lives forever.
