Sacred knowledge to understand ourselves and the natural world.

*White Eagle Medicine Wheel* is a unique pack designed as a simple, step-by-step guide to the sacred teachings of Native Americans. Using the illustrated book and its powerful deck of cards, and with Wa-Na-Nee-Che as your guide, you will progress through three levels of learning. You will be taught how to communicate with the animals who will show you their medicine ways; you will discover how to access the energies and teachings of our elders; and you will learn how to use the four creative sources of power through their archetypal symbols.

*White Eagle Medicine Wheel* is a resource for problem-solving on all fronts, whether at home, at work, or in relationships. You will quickly realize that its teachings generate remarkable inspiration and intuitive powers.

The native peoples of America are appalled at the way we are treating our planet and feel that we are on the brink of social and ecological disaster. They believe that only through deeper spiritual understanding of ourselves and of the natural world can this be prevented. Until recently, Native Americans have been reluctant to share their wisdom with the Western world. But now, with the agreement of elders and spiritual advisors in the United States and Canada, Wa-Na-Nee-Che, and his scribe Eliana, reveal how this sacred knowledge can benefit us all. Wa-Na-Nee-Che-- which in Lakota means *He who is needed by the people*-- is one of the very few remaining Native Americans willing to share the original wisdom of the old way of life. He will help you to discover the inner self. You will learn how to live in harmony, not only with yourself, but with all living things around you, and with all the children of Mother Earth. You will never look back.
