Waiting for Godot

Samuel Beckett

Waiting for Godot Samuel Beckett

Samuel Beckett, one of the great avant-garde Irish dramatists and writers of the second half of the 20th century, was born on 13 April 1906. He died in 1989. He won the Nobel Prize for Literature in 1969. His centenary will be celebrated throughout 2006 with performances of his major plays, but the most popular of them all will be, without doubt, the play with which he first made his name, *Waiting for Godot*. It opened the gates to the theatre of the absurd as four men appear on the stage, apparently with purpose but (perhaps) waiting for someone called Godot. It is stark, funny, bemusing and still deeply affecting half a century since its first production. In this new recording for audiobook, John Tydeman, for many years head of BBC Radio Drama, takes a fresh look at one of the milestones in Western drama. It follows the highly acclaimed recordings of Beckett's *Trilogy*, *Molloy*, *Malone Dies* and *The Unnamable* published by Naxos AudioBooks. See also *Krapp's Last Tape* and *Not I*, also released for the centenary.

From reader reviews:

Malcolm Khan:

With other case, little individuals like to read book Waiting for Godot. You can choose the best book if you love reading a book. Given that we know about how is important any book Waiting for Godot. You can add expertise and of course you can around the world with a book. Absolutely right, simply because from book you can know everything! From your country until foreign or abroad you can be known. About simple point until wonderful thing you are able to know that. In this era, we could open a book or maybe searching by internet device. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's examine.

Michael Kimbrell:

What do you regarding book? It is not important along? Or just adding material when you require something to explain what yours problem? How about your free time? Or are you busy individual? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. They should answer that question since just their can do in which. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need that Waiting for Godot to read.

Martin Norwood:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information that may give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Waiting for Godot.

Amado Elam:

Publication is one of source of information. We can add our know-how from it. Not only for students but native or citizen require book to know the change information of year in order to year. As we know those guides have many advantages. Beside many of us add our knowledge, may also bring us to around the world. Through the book Waiting for Godot we can have more advantage. Don't someone to be creative people? To become creative person must choose to read a book. Just choose the best book that suited with your aim. Don't possibly be doubt to change your life with that book Waiting for Godot. You can more pleasing than now.
