**Wild Horses in My Blood** Eva Pendleton Henderson, Eva Pendleton Henderson

Eva Pendleton Henderson, a member of the historical Chisum family, recounts her life on the windy border country of southern New Mexico in the 1890s when it was still a territory. Growing up in a time of legends-Pancho Villa afoot, the rumblings of the first automobile terrifying horses as well as men, drought and fate walking hand in hand, the end of the old West and the beginning of the new. An oft told tale? Yes, but rarely told by a girl and woman who truly saw what was there and wrote of it in a clear, strong, sensible voice. Her story shines as brightly as her unmistakable wit. For all ages; a book for all seasons now in a new edition.
