****Coming-of-Age & New Adult Best Seller****

Reader Beware: If you're not OK with having your guts ripped out and are not a bit of a masochist when it comes to reading, this may not be the book for you. If you're open-minded and willing to have a life-changing experience even if you have to go through the wringer emotionally, this is definitely the book for you.

What do you do when you realize you were foolish enough to throw away true, unconditional love?

Lorraina Dabney turns her back on her creativity and tumultuous upbringing to embark on a college career that will lead her to law school and to becoming what she values most in life--a controlled, powerful, respected woman. When she stumbles upon her childhood friend's artwork, she feels inspired to reconnect with him and her former self. This onslaught of emotion will send Lorraina in a tale-spin to figure out exactly why she abandoned all that she was, all that she could've been.

Coming from his own chaotic upbringing, Michael falls quickly and deeply in love with Lorraina at a tender age. Even her rejection can't stand in the way of his obsession. When she starts to date other boys, however, Michael finally relents, causing him to spiral further into a world filled with violence, drugs, alcohol, and women. Realizing that this lifestyle will only lead to his further estrangement from Lorraina, Michael sets about to turn himself around before going to get his girl.

Michael Bang will have Lorraina questioning everything.
