This volume is an excellent reference guide to the historical and cultural significance of Chinese toggles or zhuizi ? carved pieces of jade, ivory, bone, wood, shell and semi-precious stones used by the Chinese in ancient times as counterweights to secure personal effects like tobacco pipes and money pouches to their belts. Over time, toggles became treasured objects of identity and expression, believed to bring the bearer good luck, happiness, fertility, longevity and health. Accompanied by stunning photography and detailed descriptions, *Traditional Chinese Toggles: Counterweights and Charms* will be the definitive illustrative guide to this little-known Chinese art form.
