Dusterman is an action packed adventure story about a patriotic young enlisted man from New Jersey named G.I. Joe that is based on his daily dairy entries during wartime. He served his country with honor and distinction in Vietnam with the most heavily decorated artillery unit in the history of the U.S. Army. Joe Belardo and his combat buddies didn't plan on being heroes; their hand to hand fighting was thrust upon them by a savage enemy intent upon over running their positions at any cost. These brave men survived the onslaught of Tet 1968, and later the Siege of Khe Sahn. The lessons they learned are precious examples for those who love liberty, freedom, and the American way of life.
