Orders of the Quest, The Holy Grail (Adept Series) Manly P. Hall

History comes alive in this fascinating story of the descent of the secret doctrine of antiquity in Europe from the collapse of the Pagan Mysteries to the end of the Age of Chivalry. The account begins with Manes, whose philosophy has survived into modern times as the impelling force behind Christian Mysticism. The glory of the Guilds unfolds the traditions of the first organization to put into solemn practice the concept of the brotherhood of man. The troubadour, minnesinger, and meistersinger are considered, as well as the troubled story of the Knights Templar of Jerusalem.

Taliesin, the Adept of Britain, finds his proper place in the descent of the wisdom of the Druids and the secret assemblies of Wales. Through Merlin, the magician, the reader meets King Arthur and there is an interpretation of the Round Table legendry. The wonderful stories of the Holy Grail, the Grail Kings, Parsifal, and Lohengrin are discussed, as well as early Christian contacts with China and other Eastern lands. The account ends with the search for the mysterious temple of Shamballah, said to stand on the Imperishable Island in the midst of the Gobi Desert in Mongolia. Illustrated.
