The Digital Rabbit Hole: How we are becoming captive in the digital universe and how to stimulate creativity, education, and recapture our humanity. Larry Kilham

The Digital Rabbit Hole reveals that we are becoming captive in the digital universe. The portals are smartphones and the world is the Internet. We immerse ourselves social media; we learn through packaged feel-good information; and we will leave the hard work to robots and AI. The book details digital media and discusses smartphone addiction problems. It proposes solutions to stimulate creativity and education and to recapture our humanity.
