The Writings of Jane Taylor, Vol. 2 of 5 (Classic Reprint) Jane Taylor

The pieces collected together in these volumes, with the exception of two or three not before published, appeared during the course of seven years, in the Youth's Magazine. The first of them was printed in the number for February, 1816; from which time they were continued, with few interruptions, till the end of the year 1822, when Miss Taylor's declining health obliged her to desist entirely from literary occupations. Very soon after the commencement of her regular contributions to the Youth's Magazine, my sister had reason to believe that, through the medium of its pages, she had succeeded in gaining, in a high degree, the attention of a very large number of young persons.
