A Masonic Journey Nelson J. Rose

The principles of Freemasonry are universal and relevant for everyone, whether you are a Mason or not. In "A Masonic Journey" the author covers the application of Masonic philosophy in everyday life. The book weaves together storytelling and traditional instructive prose to lay out a Masonic Life Journey for Masons and non-Masons alike. This book's primary focus is on the practical application of Freemasonry and its moral philosophy. A practical and pragmatic approach is used to discuss symbolism and the use of allegory so that those that are not interested in all the often whimsical mystical layers of the Craft, can still benefit from its teachings.
