Badger Boneyards: The Eternal Rest of the Story Dennis McCann

The bodies are buried, but the stories are not. From the ornate tombs of Milwaukee beer barons to displaced Chippewa graves and miniscule family plots, *Badger Boneyards: The Eternal Rest of the Story* unearths the stories of Wisconsin. Football great John Heisman is buried here, as is the state's smallest man, a woman whose tombstone names her murderer, and the boy who would not tell a lie and paid the price.

Even in a graveyard, peace proves hard to come by: Wisconsin's Native American tribes have fought for undisturbed grounds and proper burial. A patch of Belgian graves now resides beneath a parking lot while the headstones cluster nearby, and the inhabitants of a Bayfield cemetery were unearthed by a raging flood. Sometimes the dead are recalled with only a first name, and sometimes no name at all. Following the clues in tips from readers, unusual epitaphs, and well-worn stones, Dennis McCann finds the melancholy, the humorous, the tragic, and the universal in Wisconsin's cities of the dead.
