Happiness is Hard to Find Debbie Fogle

LuAnn O'Hair- Happiness is Hard to Find has several interesting twists and turns that I didn't expect. I found the Oklahoma characters to be very true to the reality of Oklahomans. I also enjoyed the fact that Happiness is Hard to Find really remained a mystery until the very end. Julie Holmes - This book is for those looking for an adventure that will take them into the depths of human nature and the will to survive and find oneself. Happiness is Hard to Find serves up adventure, suspense, and finally love. A definite page turner! Kelley LeValley - I found the story of Amy Jane Doe, and her journey to find happiness heart- warming and riveting. As I approached the end of her story, I found myself not wanting the story to end.
