[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA]
Omega Wolf Todd Morgan has been weak and feverish for days. He and his pack have been captured by humans looking to study Todd and his kind, and they're very interested in Todd's pregnancy. When an alpha bust through the doors to rescue him, Todd is very drawn to the strong, scarred alpha. He wants this man, desperately. Max has no last name, just a number tattooed on his forearm. He is a wolfhound, a creature bred in a human lab to hunt and kill werewolves. But he and his pack have escaped, and they have control now. He never expected to mate with an omega, let alone one that is carrying the child of another dead alpha. It doesn't matter. Max loves Todd. The mating has already taken hold and he will do whatever he can to protect Todd and his unborn pup, even if it means keeping him and his friends from leaving his home. ** A Siren Erotic Romance
