Manwhore (A Ferro Family Short Story) H. M. Ward

A short story by *New York Times* bestselling author H.M. Ward set in her Sexy Ferro World

When billionaire Sean Ferro crosses my path, it's my job to destroy him. His crimes are horrific, and there's no way I'm letting him walk away from them. Whether he wins or loses in court is irrelevant. I'll destroy any chance he has for a happy life when this is over, whether he lands in a jail cell or not.

The arrogant bastard is more beautiful than I thought. He sits there, day after day, closed off and quiet. Dark hair pushed out of his face, and those blue eyes staring into space, unseeing.

I assist the prosecution and twist his silence into apathy, steadily transforming the image of a broken man into a disturbed monster. I destroy him completely well before the end of the trial. Society hates him. And so do I.

But one night will change everything. One chance encounter shows me my mistake. This isn't something I can't change, so I offer the only thing I know he needs—me.

Genre: New Adult Romance

This story is a standalone volume of approximately 125 pages.
