Excerpt from Herzegovina; Or Omer Pacha and the Christian Rebels: With a Brief Account of Serbia, Its Social, Political, and Financial Condition

The wanderings of an unknown in an unknown land may not be a subject of universal interest, and as such require a few words of apology, or possibly of defence.

To convey an accurate idea of a country the inhabitants of which differ from ourselves in creed, origin, and in all their habits of life, it would be necessary to have passed a lifetime amongst them. It may therefore be deemed presumptuous in me to attempt so comprehensive a task, upon the meagre experience of a few short months. And such it would be, did I entertain such aspirations. The impossibility, however, of identifying myself with a people, with whose very language I have but a slight acquaintance, would banish such a thought.
