## **Point and Shoot: How to Make Your Images Look Gorgeous: Become a Pro at Image Editing in 9 Days (Volume 2)** Michael Hansen

This book was written for the single purpose of **making it easier for beginners to achieve amazing results with image editing** enabling them to **make their photos look professional and beautiful**. This book is **not about how to use your camera** or how to shoot photos. It is about what you do with your photos after you have shot them.

Have you ever wondered why the **pictures in magazines and print media are so perfect?**

Do you feel puzzled looking at the pictures shot by professional photographers and wonder how come their shots are way better in quality than yours, even though you have a good DSLR camera?

That is because they have been edited by master editors. Now you can become one too, and this book by Michael will help you do exactly that, become great at image editing and that too in just 9 days.

You'll learn to **dramatically improve your images** and image edits that take you hours to create will be **achieved in minutes**. Improving pictures doesn't need to be a time consuming, difficult and expensive task. Some of the topics covered in the book:

- Cropping and Re-sizing Images
- **How to adjust Color Saturation**
- HDR Photos
- **How to adjust White Balance**
- How to adjust Photo Contrast
- **How to adjust Photo Exposure**
- How to adjust Photo Sharpness
- **Photo Vignette**
- How to Create DSLR Like Depth of Field
- **How to remove Noise in Pictures**

...and much more So do not waste any more time reading how this book will help you, instead just scroll up and **hit the BUY button** to get immediate access.

Note: If you want to learn digital photography, you can pick up the first book in this series, also by Michael; **Point and Shoot: Digital Photography Basics for Beginners and Amateurs**
