BOOK 1: DARK LIGHT

Love. Sex. Magic.

Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, love and good sex were virtually a myth.

And then there's magic. Freakin' magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and become what she was truly created to be?

Lucky for Gabs, sexy as sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabs is in way too deep to even try to turn away from him now.

BOOK 2: THE DARK PRINCE

Dorian Skotos is Dark. And although that brand of sheer, unrelenting evil is a direct threat to her life, Gabriella is tragically in love with him.

Gabriella knew it was all too good to be true. The way his touch radiated electricity right to her core, the way his ice blue eyes somehow made panties drop involuntarily, how his sexy half-smile crumbled the barriers around her heart...Dorian was extraordinary in every way.

She ignored the alarm bells for the sake of pleasure and a little slice of peace from her mixed-up life. She thought that whatever he was, she could help him. Maybe even change him. But now that the proof of Dorian's true identity and what he was sent for is staring her in the face, Gabriella can't deny the inevitable. And confronting that truth could very well slaughter more than just her fragile heart.

BOOK 2.5: NIKOLAI (a DARK LIGHT novella)

Two centuries ago, I clawed my way into a world of immorality, filth and destruction. A world seething with secrets and lies, both mortal and immortal.

Complete and utter Darkness.

I know we're supposed to be inherently evil, but something inside me refuses to fully believe our legends. Something that calls out for more...calls out for her.

But there are rules. Rules that control the balance of nature. And if broken, it could destroy everything I've ever known. It could destroy me.

I am Nikolai Skotos, son of Stavros and Delia, and brother of Dorian, the heir of the Dark throne. I am one of the most powerful Dark forces to have ever walked this earth.

And I once was lost.

Now, I'm about to give it all up for the girl that found me.

BOOK 3: LIGHT SHADOWS

Twenty-one years ago, Gabriella's life was stolen from her before it even began.

Orphaned at birth and encompassed in a fortress of lies to protect her identity, she never truly understood her

purpose on this earth. But now that she has ascended, embracing her destiny, the ghosts of her past have come back to haunt her.

Even with insurmountable power running through her veins, part of Gabriella is irreparably broken. And with old enemies working to destroy the tiny shred of normalcy she has left, she'll be forced to face the ugly truth about Dorian, the man she chose to love despite his darkness.

Everything she loved is a lie, and everyone she thought she knew is a stranger. And now that Gabriella is about to be thrust into the battle of her life, she discovers that she may be fighting for the wrong side.
