The Werewolf

Montague Summers

The Werewolf Montague Summers

Published in 1933, *The Werewolf* is one of the first comprehensive books on the subject of werewolves. Author Montague Summers offers detailed historical references and local tales about werewolf encounters, attacks, and transformations. As a member of the clergy, he views the legends of werewolves through a spiritual lens, exploring a variety of opinions and schools of thought on the finer points of werewolf transformation and infection. Part of the Loren Coleman Presents series for Cosimo Classics, this book will entertain and inform those curious about werewolves, gothic folklore, and the occult. AUGUSTUS MONTAGUE SUMMERS (1880-1948) was an English author and clergyman known for his interest in the occult, especially vampires, werewolves, and witches. He wrote dozens of books on the occult, poetry, history, and fiction; he was also the translator of the English version of *Malleus Maleficarum*, the 15th-century witch hunter's guide. Though highly spiritual, Summers did not obtain a higher rank than deacon in the Church of England due to his peculiar interests. He converted to Catholicism in 1909 and began calling himself Reverend, though he never joined a particular order or diocese; whether he was ever actually ordained as a minister is disputed.

From reader reviews:

Robert Franco:

Have you spare time for a day? What do you do when you have much more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a wander, shopping, or went to the Mall. How about open or read a book entitled The Werewolf? Maybe it is to be best activity for you. You realize beside you can spend your time along with your favorite's book, you can wiser than before. Do you agree with the opinion or you have some other opinion?

Lois Jennings:

Book is usually written, printed, or highlighted for everything. You can learn everything you want by a guide. Book has a different type. As you may know that book is important factor to bring us around the world. Beside that you can your reading talent was fluently. A guide The Werewolf will make you to possibly be smarter. You can feel more confidence if you can know about every little thing. But some of you think which open or reading the book make you bored. It's not make you fun. Why they could be thought like that? Have you looking for best book or suitable book with you?

Lisa Vazquez:

As people who live in often the modest era should be update about what going on or info even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by reading books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This The Werewolf is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

Cynthia Caron:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only situation that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their expertise in writing, they also doing some study before they write for their book. One of them is this The Werewolf.
