## **Double Croxx'd** Mr Godfather

In the 1980's high level ballers in the City of Los Angeles were made to move and live in fear. Ghetto millionaires were readily becoming victims of multi-hundred-thousand dollar Jack licks and no one could figure out by whom or how...It happened then and now, some twenty years later it was happening all over again. DOUBLE CROSSED Road Dog has taken a page from the script of the past bringing the art of the Jack move back, with a crew of hardened battle-tested soldiers beside him, marching to heights untold until a deep-cover operative shows up, using her beauty, brains, and body to work her magic. Then, things start falling apart. WHO'S Kanga-Ru is a street King and second in command of the City's highly secret Black Mafia. He's been robbed and viciously violated, adding insult to injury, his ghetto Queen Tee-Tee has been left with her wig split and he'll stop at nothing to avenge the honor of his kingdom and root out all whom dared to offend. HUNTING Agent's Rick Donovan and Sheila McKinney are working closely with their deep cover operative to try and get the Drug dealers and Jackers into one big happy bag, but, after more than nine months of being on the inside, things still aren't exactly going as planned. The two F.B.I Agents are beginning to wonder whether their operative might've gotten in too deep; is she in love or just scheming to survive? How much longer before they bring her out? And will she complete her mission?
