**Family friendly Un-Adult-A-rated fun!** Does size matter? Is bigger better? That's no small question to Tom Little—the circus midget with giant dreams.

Tom may be king of the midgets, but he's got far grander ambitions—to become the muscleman at the top, the ringmaster. Now, drawing on some dark ancient secrets and mystic texts, he's about to get his wish. Imagine a pint-sized Mickey Rooney on steroids, trading up into a body like Burt Lancaster's. Then imagine paying the biggest price of all....

Assuming another man's identity, Tom discovers he must also take on his sins, debts, and enemies. He may be living large—but now there are those who want to make him pay for the big man's sins.

**Throughout his young life Hubbard was fascinated and intrigued by mysticism and magic. From an old Blackfoot Indian medicine man in Montana to the last living magician descendant of Kublai Khan in China, from the Chamorro natives of Guam to voodoo displays in Haiti, he absorbed information and insight wherever he could—putting it all to marvelous use in stories like this.**

Also includes *The Last Drop*, an astounding tale of a New York bartender who mixes some very magical drinks—to amazing effect.

*“Wonderfully entertaining ... excellent audio quality, talented performers, great sound effects.”* —School Library Journal
