Journey Man (Knights of Black Swan) (Volume 9) Victoria Danann

For five years Glendennon Catch had knocked around the globe as a floater, filling in wherever a team of vampire hunters was down a member. He'd buried six good knights and watched the life take its toll on countless others. He'd drunk his share of whiskey and bedded so many women he would hate to hear the count, but he'd never gotten over his first love. And, if he had a chance for a do-over, he wasn't sure he wouldn't have chosen Rosie Storm over The Order.

Elora Rose Storm had spent five years nursing a heavy heart, while on a cross-dimensional mission to make the world a better place, especially wherever she found human/animal hybrids being mistreated. She'd seen horrors, righted wrongs where she could, and matured into a powerful witch/demon with altruistic leanings. After all that time, unbeknownst to each other, both were headed home. To Jefferson Unit.
