As a U.S. Army helicopter pilot during the Vietnam War, Joe understands PTSD from the inside. In *Vietnam Redemption...Full Circle*, he shares his process of real healing for his war-wracked soul which was brought about as he returned to Vietnam after forty-three years. In *Vietnam Redemption...Full Circle*, Joe takes the reader with him as he travels full circle from being a young impressionable warrior, ready, willing and able to kill and destroy his Vietnamese enemy to a compassionate ambassador of peace and mutual understanding with his former Vietnamese enemies. He does this in an engaging style that captivates his reader and will no doubt contribute to the healing of those who struggle to overcome the effects of PTSD in their daily lives. As one professional reviewer has said of Joe's story: "Your incredibly articulate and intelligent descriptions pulled me right into your head. I saw with perfect clarity what you saw,... You sir, have an incredible gift for writing about your experiences so much so that not only can your reader not stop reading, they don't want to stop, because from the very first sentence, they are committed to the journey, willing hitchhikers through your most vivid and haunting memories." M. Colby
