**Provides students with the tools to apply counseling theories to relationships.**

*Counseling Theories for Human Services Practitioners: Essential Concepts and Applications* covers the major theories in counseling used in helping relationships today. This title explores counseling theories, how they develop, and how they influence perceptions and treatment of people. Each theory is applied to a single case history, showing the emphases and outcomes expected in this case.

As part of the Standards for Excellence Series, this title assists students in associating CSHSE's National Standards to all levels of human service practice.
