The Norsemen in the West Robert Michael Ballantyne

A tale of adventure and evangelism, Ballantyne transforms into engaging historical fiction the well-known facts of the Icelandic Saga--stories of exploration and adventure, blessed marriage, alternating turmoil and peace with indigenous people--all sprinkled with delightful and humorous stories of day-to-day life surrounding the first European ground breaking in America. The Norsemen in the West carries readers back nearly a thousand years in time, to the days of Leif Ericsson and the early settlements of the seafaring Norsemen. Journey from the shores of Greenland to earliest-recorded America, a plentiful land of lush forests, crystal clear lakes and rivers and abundant fish and game.
