## **The World Before This One** Rafe Martin

The author of THE ROUGH-FACE GIRL creates a magical coming-of-age novel built from thousands of years of Seneca legend. Now in paperback!

Crow is a Seneca boy, coming of age in a time of war, in a time before stories. Cast out of the Seneca tribe, Crow and his grandmother struggle merely to find enough food to make it through the harsh winter. Then Crow finds a boulder in the woods that startles him by speaking. The Storytelling Stone tells Crow the great legends of the Seneca--tales of the Long Ago Time, when the Sky Women trod the Above World and a child could alter the ways of a people. Crow comes to realize his own power to effect change and his destiny as a Seneca man. But can the Stone be trusted?
