Who You Love Tatum Wells

Love does not care what you think, what you want or who you wish to love, because ultimately you can't choose who you love. It has a path all its own, all we can hope for is a ride worth experiencing. Sophie Smith is taken for an unexpected ride when fate steps in to taunt her with a once in a life time chance at the type of love she desperately wants in her life but is missing with her husband Forrest. Sophie truly loves her husband, but is she in love with him? It isn't until she meets Christos Papas that begins to question the love she has for her husband. Forrest has an unconventional way of showing his love for her but jaded by life, she feels her relationship with Forrest is the most she deserves. Christos is blindsided when he comes in contact with Sophie. He doesn't do love or relationships, meeting Sophie is the first time in his life that his feelings for a woman get the best of him. The only things standing in his way of acting on his feelings are Sophie's marriage and family.
