A Simple Change (The Change Series) (Volume 1) J L Ostle

My name is Alison, I am a goody, goody. I follow the rules, I work hard and study while everyone else parties and hooks up. I'm ok with that, I'm use to it. My life isn't simple though, I have a secret-I'm in love with my next door neighbour, my best friend Kyle Jacobs. Kyle Jacobs is popular, hot, wanted by every girl in school. I am the exact opposite, I'm invisible, unnoticed, I haven't even kissed a boy. One girly weekend to a spa for a makeover changes everything. I start getting noticed, even Kyle is starting to act differently around me. Somebody though doesn't like this new change, doesn't like how Kyle and I are blurring the lines from friendship to something more. New adult contemporary romance with mature content. Recommended for 17+ due to mature language and adult situations

From reader reviews:

Victor Elam:

What do you consider book? It is just for students since they are still students or this for all people in the world, the particular best subject for that? Simply you can be answered for that issue above. Every person has distinct personality and hobby for each and every other. Don't to be pressured someone or something that they don't need do that. You must know how great along with important the book A Simple Change (The Change Series) (Volume 1). All type of book is it possible to see on many solutions. You can look for the internet sources or other social media.

Stanley Wells:

Reading a guide can be one of a lot of task that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new data. When you read a publication you will get new information due to the fact book is one of numerous ways to share the information as well as their idea. Second, reading a book will make anyone more imaginative. When you studying a book especially fiction book the author will bring that you imagine the story how the character types do it anything. Third, you can share your knowledge to others. When you read this A Simple Change (The Change Series) (Volume 1), it is possible to tells your family, friends along with soon about yours reserve. Your knowledge can inspire others, make them reading a e-book.

Linda Mays:

Exactly why? Because this A Simple Change (The Change Series) (Volume 1) is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content within easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking technique. So , still want to delay having that book? If I were you I will go to the guide store hurriedly.

Frank Arnett:

Reading a book to get new life style in this calendar year; every people loves to learn a book. When you examine a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, such us novel, comics, and soon. The A Simple Change (The Change Series) (Volume 1) provide you with a new experience in reading a book.
