**America tras un cristal (Spanish Edition)** J. Enrique Cabrera

“América tras un cristal” quiere ser un relato de viajes con viajero. De viajes marcados por la perspectiva de un cristal, un parabrisas, la ventanilla de un tren o un autobús, el ojo de buey de un barco o de un avión. Sólo son recuerdos de algunos tramos de viaje, que han quedado en el viajero enmarcados por una ventana de un determinado medio de transporte. No es América, es esa otra América percibida, sentida, soñada tal vez demasiado deprisa, en muchos casos sin olor ni sonido y, en otros, empañada o deformada por un cristal.
