"For those who think the apple is an ordinary fruit, Red Delicious begs to differ. As if the challenges of fierce competition in the fruit bazaar and amking another attempt to dethrone the mango from the king's position are not daunting enough, Red Delicious' mind is constantly boggled by this strange creation that he calls 'more complicated than a mosquito coil' - a human being. Red Delicious soon sets out on a formindable adventure, along with friends Granny Smith, Pink Lady and Cox O' Pippin and they realize they've got a lot more on their hands than they've bargained for. In an autobiogrphical account, Red Delicious, an irresistible and intelligent apple, reveals how he is destined to do much more besides just being luscious, juicy and red."
