Her Husband: Hughes and Plath, A Marriage

Diane Middlebrook

Her Husband: Hughes and Plath, A Marriage Diane Middlebrook

Ted Hughes married Sylvia Plath in 1956, at the outset of their brilliant careers. Plath's suicide six-and-a-half years later, for which many held Hughes accountable, changed his life, his closest relationships, his standing in the literary world, and brought new significance to his poetry.

Middlebrook presents a portrait of Hughes as a man, as a poet, and as a husband haunted, and nourished, his entire life by the aftermath of his first marriage. How marriages fail and how men fail in marriages is one of the book's central themes.
