BOOK #1: Prepper's Hacks: 25 Brilliant Surviving Life Hacks That Every Family Can Use

You fancy yourself an experienced, prepared, and responsible person when it comes to times of disaster. You've got emergency kits, you have drilled with your family, and you've got a food supply that will last months and will be the envy of all of your neighbors and enemies. Congratulations, you've just barely scratched the surface of what it means to be truly prepared.

Here is what you will learn after reading this book:

- Ingenious uses for household objects (including trash!) that you've never thought of
- How to improvise survival items like candles, stoves, fuel, and more from objects that you probably already have in your home
- How to safely purify water using one simple household chemical
- How to improvise weapons for survival situations
- Much, much more!

BOOK #2: Prepper's Pantry: 55 Most Popular Convenience Food for Tasty Life Saving Meals

Who says that your emergency food stockpile has to be filled with bland, flavorless junk? With the right advice and the right amount of ingenuity, you can recreate a familiar, delicious, nutritious, and most of all comfortable variety for your family. Even in the worst disaster, you can use the act of preparing and eating meals to offer a slice of normalcy and comfort to your entire family. Nutrition is important, but it's just as critical to make sure that you can provide that comfort to your family in a stressful emergency situation.

This book will teach you about:

- How to incorporate a variety of different fruits into your diet when they're not available fresh
- Enhancing and increasing the quality of convenience foods
- Finding a balance between ready-to-eat meals and shelf-stable ingredients
- Maximizing your family's comfort in an emergency situation through food
- Being creative and flexible with what you have on hand
- Much, much more!
