Releasing The LION: Rediscovering The Right Brain HEART Larry Napier

If you are reading this description you have waited your entire life for the insights in this book. You are reading because you're still seeking; you are a Seeker. Your reading proves that you have not found the answer for the unfulfilled longing that comes from The-LION-Genius locked in a cage deep in Your-HEART. In spite of all the books you have read, tapes and CD's you have listened to, and seminars you have attended, you are still searching for the Key to Life regardless of how much money and time you have invested to date. Undoubtedly you have opened many "Secret Doors" that have promised to release you from the house of your confinement. Sadly each door has only led to another section of The-Lion-Cage.

Releasing-The-Lion is not possible without Rediscovering the Right-Brain-HEART. Our Left-Brain-Prisons are built around FOUR-Words that don't exist as ROOT Words in the Ancient Hebrew. The word MIND does not exist at all. Word, Read and Think are distant branches or loan words that ignore The-HEART when they are disconnected from the root meaning. Whether your Intellect knows it or not, your HEART has already walked out of the last room you were in and closed the door. Now you are here . . . still looking, The-LION in your HEART is still longing. Your LION knows there is a real door that leads to freedom, that's why you don't give up, that's why you can't quit, that why you are standing here before The-Door that leads you home.

Ancient Hebrew and Nature reveal that you have had The-HEART of a LION-Genius since conception and you prove it every day! The Ancient Hebrew path leads to the ONLY Door out of The-LION-Cage and the ONLY entrance into the Cocoon of Our-Hearts where we can experience Authentic Transformation that will allow us to soar on the "Wings of the Wind.

Our Words, IMAGES, and Thoughts HAVE to be initially different, strange, and unfamiliar, if we hope to recover the LOST-Language of Our-HEART. If I don't say things you have never heard, then I would be wasting your time. Releasing-The-LION requires feeding on Food from The-LION's-Table.

Ancient Hebrew declares that every thought comes from an IMAGE and those IMAGES are found in The-HEART. The Language of The-HEART is visual not verbal! There is something to be seen! Not just heard, read or memorized! The Right-Brain-LION SEES . . . there is just not anything worth sharing other than the cry of desperation when all The-LION can see are the bars of The-Left-Brain-Cage. At long last Your Lion has lead you here . . . The-Cage door is unlocked . . . all you have to do is open The-Door to The Ancient Hebrew IMAGE-Maker.

From reader reviews:

Adam Nelson:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim as well as goal; it means that e-book has different type. Some people feel enjoy to spend their a chance to read a book. They are really reading whatever they have because their hobby will be reading a book. Why not the person who don't like reading through a book? Sometime, man or woman feel need book once they found difficult problem as well as exercise. Well, probably you will want this Releasing The LION: Rediscovering The Right Brain HEART.

Mark Gatling:

Have you spare time for any day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a move, shopping, or went to typically the Mall. How about open or maybe read a book entitled Releasing The LION: Rediscovering The Right Brain HEART? Maybe it is to get best activity for you. You understand beside you can spend your time using your favorite's book, you can smarter than before. Do you agree with its opinion or you have different opinion?

Marcus Laws:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Releasing The LION: Rediscovering The Right Brain HEART can make you feel more interested to read.

Kathryn Bowen:

Some people said that they feel uninterested when they reading a e-book. They are directly felt that when they get a half areas of the book. You can choose the particular book Releasing The LION: Rediscovering The Right Brain HEART to make your reading is interesting. Your current skill of reading skill is developing when you such as reading. Try to choose simple book to make you enjoy to study it and mingle the impression about book and reading through especially. It is to be initial opinion for you to like to start a book and go through it. Beside that the guide Releasing The LION: Rediscovering The Right Brain HEART can to be your new friend when you're sense alone and confuse with what must you're doing of their time.
