Remind Me Again Why I Need a Man: A Novel Claudia Carroll

Amelia Lockwood doesn't mean to sound greedy. She's got a fabulous career in television, a posh apartment, and four fiercely loyal and wickedly funny friends. The only thing she's missing is a husband. So she swallows her pride, signs up for dating boot camp, and enlists the help of a professional—an acidic New Yorker with a black belt in "tongue fu"—who'll help Amelia apply proven business-marketing principles to finding her dream man. Amelia's first assignment is to track down all the lovers she's ever lost—from the guy who dumped her during Live Aid to her most painfully recent ex, he-whose-name-shall-forever-remain-unspoken—because her future happiness depends on her tackling lesson number one: If you can't learn from your past, how will you ever move forward?
