## It Was a Hunt for the Most Beautiful Women on Earth...

A freelance photographer, Ben is a man of a single vision: to photograph the most beautiful women in the world. Travelling from America to Europe, down through the Middle East and into Africa, where he has heard tales of a Saharan tribe made only of beautiful women, travelling the desert and surviving off the land.

Happy to oblige, Phillippe and his sister Ariana lead him out into the desert to chase the illusive tribe, from the rocky region and south into the salt plains, following the stories of the locals.

One night, dehydrated and suffering from desperation, Ben takes a walk out into the desert. **What he finds there will both amaze and disturb him... Are these women real, or just an illusion?** And what does Ariana have to do with these exotic, beautiful women?
