The Fixed Period. by Anthony Trollope NOVEL (Original Version) volume I

Anthony Trollope

The Fixed Period. by Anthony Trollope NOVEL (Original Version) volume I Anthony Trollope
Published in 1882, this extraordinary novel--an exercise in Swiftian irony combined with a love story in a futuristic setting--is entirely uncharacteristic of Trollope's usual drawing room conversations and hunting scenes. Set in the 1980s, The Fixed Period describes an imaginary, antipodean ex-colony governed by a President who views himself as a benefactor of the human race, Orwellian double-speak and gunboat diplomacy. This is Trollope's strangest and most chilling novel.
