“Multitasking” has been a buzzword in society for many years. But Christian wives have done this for centuries. As they cook dinner, scrub the bathtub, and perform the many other tasks they must do as a wife and mother, they take the opportunity to say a prayer for their families at the same time. No one can multitask like a woman—especially a wife. Author Inishka Lloyd's *A Wife's Prayer Journal: Praying for Your Husband through the Book of Proverbs* is specifically designed for wives. It teaches us how to use the Word of God to speak life and wisdom into the life of our husbands and into the marital relationship. It includes inspirational encouragement for praying for your husband as you read through and use the wisdom found in the book of Proverbs. Lloyd pulls ideas and points from the Proverbs to use as prayer starters. *A Wife's Prayer Journal* is also a place to write out your prayers, thoughts, and victories. You'll have them in one place, so you can easily refer back to them. Many Christian marriages would have ended in divorce court had it not been for a praying wife. As strong and independent as a husband may think he is, none can survive this life without the sincere prayers of his wife. *A Wife's Prayer Journal: Praying for Your Husband through the Book of Proverbs* will help you help him.
