I noticed Luciana watching me watch him as he went. She moved in front of me and pushed her lips onto mine again, and I responded, kissing her with hidden passions I never knew I had for another woman. As she kissed me back, I felt her put her hand on my thigh under the water.

If there's one thing I hate more than dates its blind dates.

Every one I've ever been on has been a total disaster and when my latest "hook-up" left after just an hour I was resigned to yet another failure.

What I didn't know however was that the night wasn't going to be a complete dead loss. Luciana and Bruce were still determined that we try out their new hot tub and they wanted me to join them.

But what could they possibly see in and overweight, frumpy old black divorcee like me?

Well I was about to find out.

Both of them we're going to take me to places I would NEVER have thought I would explore, and by the time the night was over I was going to know both of them far more intimately then I had ever imagined.

This short story contains graphic descriptions of a wild and wet hot tub menage a trois where nothing is considered taboo.

It features anal scenes, lesbianism and bubbly wet fun between a big beautiful black woman, her curvy Italian friend and her hot husband and absolutely nothing is considered too taboo.

It should only be read by persons over the age of 18 and only if you are comfortable with the subject matter.

Where available, you can click on the "look inside" feature to get an uncensored taste of what goes on inside, and I promise you will NOT be disappointed.

All persons in this story are over the age of 18 and everything that takes place is entirely consensual.
