**The benchmark text on obstetrical procedures updated and expanded to reflect current practice**

This new edition of *Operative Obstetrics* continues to bring clinicians step-by-step, detailed instructions for every major surgical procedure performed in current obstetrical practice. The Third Edition has been completely overhauled and redesigned, with a streamlined new presentation, hundreds of new surgical illustrations (provided by artists who contributed to *Williams Gynecology*), the removal of out-of-date procedures, and valuable new content of laparoscopy. The fully revised Table of Contents allows for greater depth of coverage of important procedures.

- Acclaimed opening chapter on surgical basics, dealing with needles, sutures and knots
- Covers all aspects of operative obstetrics
