What is *Energized Hypnosis*? It is a breakthrough program for gaining personal power, peace of mind and enlightenment. The techniques of *Energized Hypnosis* were developed many years ago by Dr. Christopher Hyatt and Dr. Israel Regardie, but have remained "in the closet"...until now.

How does *Energized Hypnosis* work? First the entire body is energized, opening it to the power of your suggestions. Once the body-mind is freed from its energy blocks, the full effect of hypnosis can be utilized to change not only habits but your entire approach to life! This method takes advantage of our deep organic nature, which Dr. Hyatt calls the Innate Power Response. Using the methods of *Energized Hypnosis*, you will learn to elicit this Response at Will to enhance relationships, control habits, improve business and, most importantly, harness the power and wisdom of the Universal Mind.

The first CD includes a discussion on hypnosis and hypnotic techniques.

The second CD includes a powerful hypnosis session.
